

The Children

This week there has been a general interest in maps and directions. We have seen this interest in the garden as well as during play inside.

Ayana says "I'm doing the directions to go to the North East!"

The children have also been very interested in drawing stories this week and again, maps and directions have been explored through this. Felix says "I really really really really like this!"

There has also been a big interest in the 'tap' 'tap' and Julia made a clock with the pins and shapes. Garden room have been particularly interested in building towers and roads with small blocks

The Notices

If you have any spare carrier bag's we will gladly take them off your hands!

Also any donations of junk modelling such as tubes and small boxes will be warmly welcomed!

Our safeguarding policy has recently been updated in line with Wandsworth's policy and is now up on the website - please do take a look.

Online safety tip: Have you heard of 'Kiddle'?

Kiddle.co is a web search engine and online encyclopedia that is very safe for young children. Kiddle is powered by Google Custom Search and employs SafeSearch, with additional filters. **Rather than using 'Google' to search for images or information - try using 'Kiddle'**

Balham Children's Centre

The following sessions will be running here during the Spring term (to 3rd April 2020) If you would like any further information, please call us on 07866 154009 or contact Thrive Wandsworth on 020 8871 7899.
