

The Children

This week the children have been very busy indeed! They have been enjoying lots of physical play using obstacle courses outside and have been challenging themselves and developing new skills.

The children have also really enjoyed hospital role play this week and have been taking on various roles within their play. 'Injections' have been very popular!

They have also enjoyed some 'scary stories' such as 'The Dark Dark Night' and are asking for more stories like this.

The children have also been involved in some sustained block construction this week...just look at this balancing of 4 blocks!

The Notices

Advice for parents/guardians regarding the Coronavirus from The Department for Education

You should not be unduly worried about the possibility of your children catching the Coronavirus.

There is no reason why your children should not continue to attend their early years, school or further education setting as normal.

We recognise that some families or children may be planning to travel to China during the forthcoming half term period. If so, please refer to the FCO's latest travel advice.

If you have any spare clean 'squeeze' ketchup bottles we would really like some new ones for our paint in Front Class

Online safety tip

Do you allow your child to watch short clips on YouTube? On your phone or on a tablet?

Did you know that there can be inappropriate adverts, pop ups or voice overs on seemingly innocent children's video clips? Do you have your safety settings in place?

Please consider how safe it is for your child to have access to 'the internet'. Consider using an app such as YouTube Kids which has safety filters already in place.

TERM DATES 2019-2020

	First Day	Last Day
Spring 1	Tues 7 Jan	Fri 14 Feb
Half Term	Mon 17 Feb	Fri 21 Feb
Autumn 2	Mon 24 Feb	Fri 3 Apr
Term Break	Mon 6 Apr	Fri 17 Apr

Did you know...a cat has 32 muscles in each ear?
