The Children

Balham Book Day – thank you to everyone who came in to read stories and to our amazing staff who put in a huge amount of effort on the day. The children loved watching their favourite stories being acted out – such as The Three Billy Goats Gruff and The Enormous Turnip. The children really enjoyed having their faces painted and have been using the props from the day to act out their own stories.

We had a guest appearance from a cat, a chicken, a goose...

Coronavirus (Covid-19)

Obviously there is real concern about the spread of coronavirus and we are aware that some of you will be very worried. We ask you to stay calm during this time. We are receiving daily updates from Public Health England and following the advice being given by the Government and Local Authority. We will keep you updated – but the guidance at the current moment in time is to not shut schools.

Our advice is (as usual) if your child has a fever or high temperature then you should keep them at home. The current recommendation from Public Health England is that if you or anyone in your family have a persistent cough and/or fever then you should self-isolate for at least 7 days and log onto www.nhs.uk for further assistance.

If you are worried – please come and speak to your child's team leader or Emma or Pat

ECO WEEK

Is next week. Please see notices around the nursery for more information

PSFA – Book Sale

Next Wednesday 18th March 11:30am and 3:10pm. Save paper and buy a second-hand book! 5 Books for £1!!

School Development Plan

Please see overleaf for our 2019–2020 school development plan targets.

SCHOOL DEVELOPMENT PLAN

TARGETS 2019-20

QUALITY OF EDUCATION

To ensure that our children receive a broad, balanced and creative curriculum, coupled with inspiring teaching and meaningful assessment.

BEHAVIOUR AND ATTITUDES

To ensure that our children develop good learning behaviours and we have clear and open lines of communication with families.

PERSONAL DEVELOPMENT

To ensure that our children are given opportunities beyond the classroom to develop their resilience, confidence and independence.

LEADERSHIP AND MANAGEMENT

To ensure that the leadership of the school continues to be reflective with a constant drive to improve, in an ever changing and increasing financially difficult landscape.
