

The Children

Welcome to those new children and families who have just started in the nursery. We hope that you and your child enjoy making wonderful memories here! It is really warming to see our 'old' children welcoming new children into their play and showing them around the nursery! This week we continue to focus on settling the new children into their nursery routine.

This week the children have also really enjoyed large scale painting (and decorating) and have been using their 'all in one' suits. We also continue to support the children with safe practices out on the climbing frame.

The Notices

We have had a case of threadworm reported in the nursery this week. The Health Protection Agency states that there is no recommended period to be kept off school but that treatment is recommended for the child and household contacts. If you have any further questions - please do see your GP.

Balham Children's Centre

The following sessions will be running here during the Spring term (to 3rd April 2020) If you would like any further information, please call us on 07866 154009 or contact Thrive Wandsworth on 020 8871 7899.
